2. To Invite Declarations of Interest. None

3. Register Of Interests Update. None

4. Public Participation. Grand Union gave a presentation on the SNH garage site in Hillside Cresc. 2 rented and 2 shared ownership houses were proposed. Councillors felt that all should be rented, this being more appropriate than part ownership and that there should be priority given to Heyford residents. Grand Union said that they would put this to SNC. 2 parishioners objected to the proposal and felt unfair, and that no alternatives had been offered. An injunction had been served on travellers at Sheepcote requiring them to leave by 23rd December. Cllr JK reported that work on the Flore bypass would begin on Dec 9th. Mrs Reeves commended Mr Arnold’s article in the Prattler.

5. To confirm and sign minutes of the meeting held on 2nd November 2015. Resolved. Minutes were accepted as a true record. Chairman duly signed minutes and agenda.

6. MATTERS ARISING FROM THE MINUTES; Not covered by the Agenda.

7. REPORTS 1. Lights – Resolved Clerk to close maintenance account with EON and transfer to Aylesbury mains.
2. Roads and pavements. Potholes had been swiftly repaired outside the One Stop Shop, but it was felt the repairs would not last very long.
3. The Green and Play Area. Posts to be put on Memorial December 8th. Play Area Quotes consider. Resolved. Wickstead quote accepted although not the cheapest. Work to be carried out at a cost of £3716.71 subject to VAT. Large quantities of bread were regularly being put on the Green, this was felt to encourage rats.
5. Trees. Mr Winstanley to do the Playing Field hedge shortly.
6. Allotments. Problem of Dumping of chippings on an established allotment seems to have been resolved. Cllr JK reported that installation was imminent.
7. Footpaths. The path between manor walk and Manor Park is very boggy in wet weather. Felt to need more gravel.
8. Chuchyard. PCC was in process of obtaining architects drawings for the north wall. Council would be contacted about costs in due course. The NW corner appears to have become a smoker’s corner, with lots of cigarette butts being discarded.
9. Canal. MB reported that the Trust was moving on illicit “residents”, and there was still a problem with fish being netted without permits.
10. JBB. Trees on N side causing concern, and will need to be checked. Next meeting Jan/Feb.

8. Planning.

Resolved Comments to be passed on to SNC.

9. Bus Shelters. – MB reported that installation was imminent.

10. SNH Land transfer – No progress to report.

11. To discuss fundraising to counter future Gladman’s proposals. LH felt that it was inevitable that the proposal would return and that it was important not to lose focus. Fundraising for banners, posters etc was suggested. Further discussion would take place at the next planning meeting.

12. Village Development and Neighbourhood Plan. This would need an action team, or similar grouping to become involved. If a neighbourhood plan was in place the community would receive 25% of Community Infrastructure Levy (CIL) payments rather than 15%. SNC would be applying the CIL from 2016 in place of Section 106. Discussion deferred.
