2. To Invite Declarations of Interest. A-M Collins re S/2016/2327/FUL,

3. Register Of Interests Update.

4. Public Participation.

5 To confirm and sign minutes of the meeting held on 5th September 2016. Resolved. Minutes were accepted as a true record. Chairman duly signed minutes and agenda.

6. MATTERS ARISING FROM THE MINUTES;

7. REPORTS 1. Lighting. Aylesbury Mains had carried out their first maintenance visit successfully.

2. Roads and pavements. Work by BT had resulted in the partial re-instatement of the pavement in Church Lane.

3. The Green and Play Area. Grasscutting had been spasmodic. No major issues with green or Play Area. Clerk had attended a Playing Field inspection course, which he had found very useful. It had been recommended that a weekly visual inspection was all that was usually required, with a full inspection quarterly making it easier to spot deterioration of chain links, loose struts etc. A-M C and CK volunteered to meet Clerk and be shown some inspection methods.

4. Playing Fields. CK had accompanied Mr Thorneycroft to SNC to further discuss the purchase of the field adjacent to the Playing Field. Permission to change use had not yet come through from the Secretary of State.

6. Allotments. One more plot vacated, and more expected. Hedge had not been cut due to contractor being ill. Resolved. Stowe Tree Services to be asked to cut the hedge as a matter of urgency.

7. Footpaths. Footpath KS2 accessible apart from a few scaffolding poles.

8. Churchyard. Stowe Tree Services to be asked to quote to cut the hedge as a matter of urgency.

The churchyard wall had been inspected, and the architect is preparing a restoration plan. The windows at the Church Rooms will be repaired and decorated rather than replaced as the costs were prohibitive.

9. Canal. MB reported a problem with dog mess, with many bags being thrown into the hedge rather than properly disposed of. It was established that the Waterways Trust were responsible for the dog bins on the canal path.

10. JBB. Meeting had been held in September. Grasscutting had been a problem, would be put out to tender. The problem was not financial, the contractor had not been doing the job for whatever reason. The JBB would be asking for a £5000 precept.

11. Youth Club. Some of the older children who have moved on to Campion School have dropped out, but some new ones have started. The Youth Club roof has been completed, looks good and has a 10 year guarantee.

8. Planning.

18 **Financial matters and accounts for payment.**

The Finance Committee met on the 27th September to consider Insurance. They recommended acceptance of the Zurich quote (in preference to Aon and Hiscox) to include insurance of the Streetlights at a cost of £1030.74. It was felt preferable to accept a one year quote rather than a 3 year quote as the insurance situation for Parish Councils has become more competitive and fluid.

**Resolved.** To endorse the decision of the Finance Committee.
